

Flood Corridor Program
Public Hearing Summary for the
Magpie Creek Floodplain Conservation Project

A public hearing was held on July 31, 2013 in Sacramento, CA to receive comments on the Magpie Creek Floodplain Conservation Project, to be funded by the Department of Water Resources (DWR) through the Flood Corridor Program. Approximately six people were in attendance including Ruth Darling and David Martasian, representing DWR's Flood Corridor Program.

Ruth Darling gave an overview of the Flood Corridor Program and the purpose of the public hearing. Mick Klasson, who represents the project proponent, Sacramento Area Flood Control Agency, gave an overview of the project. No comments were received on this project. Please contact Ruth Darling at (ruth.darling@water.ca.gov) for additional information.
